

Goals Within Your First 5-10 Days of Signup

...continued once you've completed checklist items 1-5

- ☐ **6.** When your new website is ready, we will email you a "temp domain" link. This allows you to review your website to make sure all the information is correct before it goes live.

Keep in mind: additional content, videos, blog pages, etc. can be added later. The leadPops team will help you with those customizations in the future.

For this initial review, the goal is to make sure everything is correct so that we can get your new website LIVE with all the approved content and information.
- ☐ **7.** Next, let's integrate your Funnels with Total Expert. Follow these simple steps:
 - 1. Log in to your Funnels admin panel [located here](#).
 - 2. Select ANY Funnel and navigate to Edit -> Integrations ([example here](#)).
 - 3. Select Total Expert Integration and toggle to ACTIVE ([example here](#)).
 - 4. You'll automatically be routed to the Total Expert login screen. Enter your Total Expert Username and Password, then you're done! ([example here](#)).
All of your Funnels will be connected after following the above 4 steps!

If you're on Velocify and connected to the Movement Direct to Consumer Team, we'll need to confirm successful integration with Velocify.
- ☐ **8.** Once we've confirmed your leads are flowing into your CRM successfully and you're getting new lead alerts/notifications, we will take your new website live!
- ☐ **9.** [Sign up for Google Analytics for free](#). Once you do, send us the code and we'll install it on your website for you.

This will allow you see how much traffic you're getting, and give you insight as to which of your marketing efforts are working best.
- ☐ **10.** Join the live "Weekly Movement Launch Orientation Call" (or listen to the latest recording). [Click Here](#) to view dates/times and book an upcoming call.
